

Coronavirus Update

Information for Coaching Connexions applicants

Thursday 19th March 2020

Following the announcement of school closures made by the Prime Minister on Wednesday evening, Coaching Connexions has decided to heed this advice and shut the campuses to students at 5pm tomorrow (Friday 20th March) until further notice. The Central Services teams are still in full operation and are working remotely. Our main office contact number (**0151 523 0544**) will also still be accessible to our staff.

Any students who are seeking a specific update in relation to their application or place may still enquire through the usual means:

We're so sorry if you were booked onto the Open Day in March or if you were looking forward to one of our many events across the country over Easter. These have been postponed until further notice. At the moment, we are hoping to run the Taster Day in May, but we will give further updates on this as the situation evolves.

If you have had your interview for September 2020, and have been made a conditional or unconditional offer, that still stands and we're still looking forward to welcoming you in September. We will await further guidance from the Government about the situation with exams.

If you haven't yet had your interview, these will now be arranged for a telephone conversation or Google Hangout, with trials taking place later in the year for certain courses. These can be booked in the usual way, via our website, by contacting one of our centre managers or by calling the number above.

Please check out our social channels as we'll continue to post content and exciting updates to help keep you positive during this difficult time.

Applications are still open and we're here to give you advice and guidance on your next steps into Sports Education. If you have any questions at all, please don't hesitate to contact us.
