***Monday 1st March 2021***

Dear Student, Parent/Guardian,

We are thoroughly delighted to be reopening our campuses to all students from Monday 8th March. It has been a tough few months and the Prime Minister's announcement last Monday was joy to our ears.

You will be sent your new timetable by your tutor on or before Thursday 4th March. Please ask your tutor if you have any questions about this. If all goes well, we intend to adapt the timetable after Easter in order to ensure more of your sessions are on campus.

Your campus continues to follow the government's Covid-secure guidance. Please re-familiarise yourself with our procedures on social distancing, hand hygiene and reporting covid symptoms by reading the leaflet [here](#)

There will be an updated site induction when you come back for the first time to ensure you're fully aware of all the guidance.

In line with updated government guidance, we have implemented the mandatory wearing of face masks in all areas in centres. This now includes classrooms as well as all communal and circulation areas. We hope this won't be in place for too long but in the interest of all our students and staff safety, this will remain compulsory until advised otherwise. If you have an exemption, please make your tutor aware and ensure you bring a letter from your parent/carer.

We are awaiting further clarification from the government on the rollout of their testing programme and when we know more we will be in touch to update you.

We can't wait to welcome everyone back onto campus, please be sensible and follow the guidance to ensure we all look after one another.

If you have any questions at all you can contact your Tutor.

Best wishes,

Gary Judge
